

Introducing the 90 Degree Benefits Mobile App

Navigating health benefits is easy with the My90DB app. Questions about your benefits? Connecting with your 90 Degree Benefits support team is as simple as sending a text.

My90DB provides everything you need to utilize your employee health benefits in one easy-to-access place.

Our concierge service is available to help members access their benefit plan details and connect you to cost-effective care through your Provider Partners Program.

LIVE Chat with Support Team

For information about your benefits, a recent bill, or assistance with finding low-cost providers, call or live chat within your app. Your **90 Degree Benefits Support Team** is ready to help answer your questions.

Sync with Your Apps

Sync and integrate health data from over 150 mobile health devices and apps, including Apple Health, Fitbit, and Garmin.

Realtime Benefits Info

View a summary of benefits and access claims information.

Provider Lookup

Locate doctors and high-quality facilities in your **Provider Partners** program as well as other In-Network providers.

Provider Partners Access

The Provider Partners surgical management offers access to low-cost high quality medical care that can be found through the app.

Digital Insurance Card

No more lost, misplaced, or out-of-date insurance cards. Your most up-to-date card is always in the app, automatically.

Download the My90DB app today on the Apple Store or Google Play and see how easy navigating your health benefits can be!
