

## Chiropractic Care Options

If you have elected the Traditional Healthcare Highways PPO Plan, you have three options when choosing a chiropractic care provider.

1. In-Network (Participating Providers)  
\$40 Copayment per visit, plan pays 100% of Eligible Expenses. Deductible waived.  
Limited to 26 visits per Calendar Year.

Please see Healthcare Highways website in drop-down menu for participating providers.

2. Out-of-Network (Non-Participating Providers)  
50% of Eligible Expenses, after Annual Deductible is satisfied.  
Limited to 26 visits per Calendar Year.
3. Tulsa Fire has contracts with both **Eastern Oklahoma Wellness Center for Chiropractic Care** and **Tulsa Chiropractic Associates**. Services provided at these chiropractic care facilities will be a \$0 Copayment per visit, plan pays 100% of Eligible Expenses. Deductible waived. Limited to 26 visits per Calendar Year.

Please see websites in drop-down menu for locations and clinic hours.

If you have elected the High Deductible Healthcare Highways Plan.

All chiropractic care is subject to your Annual Deductible. Once Deductible is satisfied plan pays 20%. Limited to 26 visits per Calendar Year.

Please see Healthcare Highways website in drop-down menu for participating providers.
