Tulsa Firefighters and Family,

We are happy to announce that **Tulsa Firefighters now have a direct contract with Connect DME.** We provide you and all of your extended family members (**regardless of their insurance plan**) with the lowest prices on any home medical equipment, and reduce out-of-pocket expenses on **over 4,000 products.**

Connect DME is a Tulsa-owned DME (Durable Medical Equipment) company with over 24 years of experience providing Durable Medical Equipment and services. Our mission is to give transparency and lower costs on all of your DME supplies. We can provide you with any home medical product (**CPAPs, nebulizers, resupply accessories, various orthopedic products, bracing, crutches, walkers, etc.**) at a discounted rate, saving you money and out-of-pocket expenses!

Contact us today to find out how we can reduce your cost on the products you currently use or need. Give us a call or have your physician fax or submit your prescription online.

Please visit our website at ConnectDME.com to find out more.

Sincerely,

Ritchie Sontag
