

You're just **three easy steps** away from accessing **reduced-cost Imaging & Select Surgeries** with Provider Partners!

## 1. Download the App

Search your phone's app store for "**Provider Partners Health Benefits**"

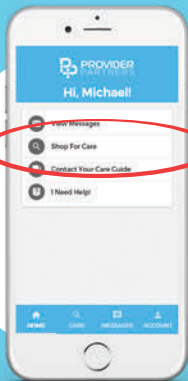

After installation, tap "Create Account" & follow the easy account registration steps

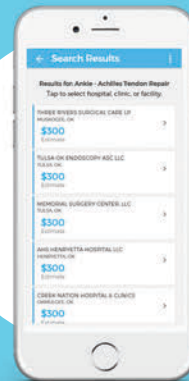

## 2. Start Searching

On the home screen, tap "shop for care" to access eligible reduced-cost care!

Search for a specific procedure, or check out different categories of eligible reduced-cost procedures

## 3. Connect with Guide

Once you've found the procedure you want, follow the on-screen prompts to connect with a guide to authorize & assist you in setting up your appointment.
