

Script Care Mobile App and Website...

Go mobile with the new Script Care App to assist with your prescription needs on the go! The App is available to Script Care members with an iPhone, iPad or Android smartphone/tablet. Features include a Formulary Search, Pharmacy Locator, Copay Calculator and ID card. Download it today for free at iTunes App Store or Android Market and search for "Script Care". For assistance, call 1-800-880-9988.

www.scriptcare.com is filled with user-friendly features to enhance your benefits and to help you save money on your prescriptions!

- **PRICE CALCULATOR** – Compare the cost of your prescriptions at different pharmacies in your area by entering a zip code on this feature. You can also compare the cost between brands and generics as well as retail versus mail order.
- **FORMULARY SEARCH** – This will help you find out if your medication is classified as Preferred (Formulary) or Non-Preferred (Non-Formulary). If your medication is not on the Formulary, this search will provide a Generic or Preferred Brand alternative. If you fill a Generic or Preferred Brand medication, you will save money on your copay.
- **PARTICIPATING PHARMACY** - Find the nearest pharmacy at home or away from home.
- **MAIL ORDER PHARMACY** – Place your refills online through the Mail Order Pharmacy.
- **SPECIALTY PHARMACY** – Place your refills online through the SCL Specialty Pharmacy. You can also get in-depth information about high cost drugs and their special delivery options.
- **PRESCRIPTION HISTORY** – Our website offers a printout of all your filled medications. Be sure to include a valid Rx number when you activate your account.
- **DIRECT REIMBURSEMENT** – If you paid out of pocket, simply fill out the form located online.
- **DRUG RESOURCES AND INDUSTRY NEWS** – Get the latest pharmacy news and helpful health tips.
- **QUESTIONS?** – Email them directly to a customer service representative at customerservice@scriptcare.com

Visit www.scriptcare.com and Register your Account!
Once logged in, you will have access to the search features mentioned above.
